

Australasian Grain Science Association Citation

The Council of the Australasian Grain Science Association citation recognizes those members who have continued to serve the Association over an extended period, often decades, and have already been recipients of any one or more of the Service, Life Membership or F B Guthrie award.

Council is the sole authority and authorizer of the citation and it can only be granted by special resolution of Council.

The citation shall be a certificate signed by the chairman and vice-chairman of Council and an engraved gift such as a crystal decanter.

The presentation of the citation will usually be a surprise at the Annual Conference dinner, but Council may resolve to use other forms of presentation. Presentation of the citation by consideration of the terms of service to AGSA for eligibility will be a rare event.
